## Patient Room Features

- Integrated Pro:Idiom** ..... Provide secure, on-demand HD content to your guests.
- ATSC Tuning Mode**..... Select between physical or virtual channel numbers, giving your headend distribution system optimal flexibility.
- Antenna/Cable Merge** ..... Ability to merge different video frequencies into a single channel lineup.
- AUX Inputs In Channel List** ..... Adds inputs to the channel list to allow access using the CH buttons.
- Auto Detect Side A/V** ..... Allows users to easily connect peripheral devices to side input without use of remote.
- Direct Tuning Access**..... Prevents guests from accessing channels that are not programmed in the TV channel list.
- Initial Channel**..... Sets the input/channel for the TV to tune when turned on.
- Channel Hold**..... Locks current channel to prevent channel changes by user.
- Initial CC**..... Choose a close caption mode when TV is turned on.
- Volume Limiter/Initial Volume**..... Sets the minimum, maximum and initial volume settings when the TV is turned on.
- USB Cloning Capable**..... Allows rapid duplication of TV configurations for easy installation and maintenance.
- USB File Play**..... Allows guests to play MP3 and JPG files, as well as charge mobile devices.
- Auto Power On** ..... Selectable power state of the TV after a power cycle.
- Auto Power Off** ..... Allows the TV to turn off after a selectable period of inactivity.
- Master & Guest Remotes**..... Separate remotes for configuration and operation.
- Bed 1/2/3 Capable**..... Allows simultaneous control of multiple TVs in the same room.
- Front Panel/Menu Lockout** ..... Allows facility to disable front panel and menu controls to make television "tamper proof".
- Splash Screen**..... Ability to add facility logo to startup screen using a JPG file and USB.
- Control Port** ..... RS-232C allows for integration with "infotainment" providers and video conferencing equipment.
- Pillow Speaker Control**..... Pillow speaker interface allows connection to most brands and types of pillow speakers.
- DVD Pillow Speaker Control**..... Optional DVD player that can be controlled by a pillow speaker.
- UL Listed Hospital Grade**..... Designed to meet or exceed UL Hospital grade certifications.
- Energy Saving Features**..... No signal/activity power off, ambient back lighting control, less than .5 watt in standby mode, low power LED.
- Matte Black Finish** ..... An elegant look that resists visible finger prints.
- VESA Standard Mount Pattern**..... Wall mount your TV using standard mounts.
- 2 Year Exchange Warranty** ..... We ship you a new TV immediately to minimize down time.
